

Certificate II in Asset Maintenance (Cleaning Operations)

(PRM20104)

TRANSFORM

The Certificate II in Asset Maintenance (Cleaning Operations) is a practical entry level qualification that provides students with the skills and underpinning knowledge necessary for a career in the cleaning industry.

Students will gain skills in contract cleaning in an industrial environment, using the appropriate chemicals and cleaning techniques.

UNITS OF COMPETENCY

The Certificate II in Asset Maintenance (Cleaning Operations) is comprised of eleven (11) units of competency which are made up of the following three (3) core and eight (8) elective units below:

Core

- PRMCL33B Plan for safe and efficient cleaning activities
- PRMCL35B Maintain a clean storage area
- PRMCMN201A Participate in workplace safety arrangements

Elective

- PRMCL01B Maintain a hard floor surface
- PRMCL02B Restore a hard floor surface
- PRMCL04B Maintain a carpeted floor
- PRMCL09B Clean glass surfaces
- PRMCL15B Maintain furniture and fittings and room dressing
- PRMCL17B Clean a wet area
- PRMCL19B Remove waste
- HLTIN1A Comply with infection control policies and procedures

Credit may be given for the skills and knowledge students already have where applicable.

PATHWAYS TO EMPLOYMENT

Students will also have the opportunity to participate in Job Search Training workshops and receive support in:

- Preparing a resume
- Locating suitable employment opportunities
- Succeeding at job interviews
- How to keep that job and build a career.

Once completed, this qualification will provide students with pathways to a satisfying career in a variety of cleaning occupations.

PATHWAYS TO FUTURE STUDY

Successful completion of this course will also ensure that students are eligible to study Asset Maintenance at Certificate III and IV levels.

GOVERNMENT FUNDING AVAILABLE

The Australian Government is offering to fully subsidise this qualification for job seekers under the new *Productivity Places Program*. Mission Australia Training Institute is an approved provider of the Productivity Places Program and is offering this qualification at **no cost to students**.

At this stage PPP will be available for job seekers only. Eligible job seekers are Australian citizens or permanent residents over the age of 15 and:

- Registered with an Employment Services Provider (ESP), or
- In receipt of income support, or
- A Community Development Employment Projects participant, or
- Not currently working but seeking or intending to seek paid employment or self employment, or
- In one of these categories before they commenced their Australian Apprenticeship (on or after 01/04/08).

Job seekers must be referred to training under the program by their ESP. Those not registered with an ESP must contact Mission Australia Training Institute directly to confirm eligibility.

For further information call Mission Australia Training Institute (MATI) on 1300 67 69 37 and ask about the qualifications and industry pathways being on offer near you.
